

Internships In Communications, Media & Entertainment

The Communications Department offers a winter and spring quarter class, *Applying Communication to Internships in Organizations, Com 191B*, for four upper-division units. Students must be concurrently enrolled in local part-time internship experience available in the GauchoLink database for registered UCSB students. Students are also encouraged to consider the **UCSB Washington Center Academic Internship Program**. To find out more information, go to <http://www.ltsc.ucsb.edu/urca/ucdc.php>

For additional links for summer, international, and post-BA internships go to: <http://career.ucsb.edu/students/internships/>

Students participating in unpaid entertainment or media related internships will want to participate in the **Certificate Internship Program** at Career Services. This evaluation program is offered on-line to intern employers to insure that your experience meets legal requirements. Stop by the **Career Employment Peer Desk** for details.
